

Atum Brand Kit

Digital Communication Agency

Brand Overview

Brand Name: Atum
Tagline: *Building Digital Universes*
Industry: Digital Communication Agency
Mission: To empower individuals and businesses through innovative digital communication solutions
Positioning: Premium, innovative, cosmic, transformative

Brand Story

Atum, named after the Egyptian deity of creation and completion, represents the beginning of all digital possibilities. Just as Atum brought forth the universe from the primordial waters, we bring digital visions to life from the void of ideas.

We believe in the transformative power of digital communication - where every website is a universe, every brand is a constellation, and every message is a spark of light reaching across the digital cosmos.

Photography & Imagery

Style Guidelines

Primary Style:

- Dark, moody cosmic imagery
- Deep space, nebulas, galaxies
- Abstract technology patterns
- Geometric light formations

Color Treatment:

- Desaturate slightly
- Add blue/purple color grading
- High contrast
- Dark vignette

Overlay:

- Always use gradient overlay to ensure text readability
- Opacity: 40-60%

Image Sources

- NASA Image Library (free, high-quality space imagery)
- Unsplash (cosmic, technology themes)

- Custom 3D renders (future consideration)
-

Voice & Tone

Brand Voice Attributes

Innovative

- Forward-thinking language
- Future-focused messaging

- Quality-focused language

Empowering

- Action-oriented words
- "You can" messaging
- Collaborative tone

Cosmic/Visionary

- Universe, constellation, cosmic metaphors
- Big-picture thinking
- Transformational language

Writing Examples

Headlines:

- "Launch Your Brand Into the Digital Cosmos"
- "Where Ideas Become Universes"
- "Crafting Digital Experiences That Transcend"

Body Copy:

- Use "we" for collaboration (not "I")
- Active voice over passive

- Short, punchy sentences mixed with longer explanatory ones

CTAs:

- "Start Your Journey"
 - "Launch Project"
 - "Explore Possibilities"
 - "Transform Your Brand"
-

Animation Principles

Timing

- Fast interactions: 150-200ms
- Standard transitions: 200-300ms
- Complex animations: 400-600ms
- Never exceed 1 second

Easing

- Default: `ease-in-out`
- Entrances: `ease-out`
- Exits: `ease-in`
- Bouncy effects: `cubic-bezier(0.68, -0.55, 0.265, 1.55)`

Animation Types

- Fade in/out
 - Slide up/down
 - Scale (0.95 to 1)
 - Glow pulse
 - Floating effect (subtle)
-

Social Media

Profile Guidelines

Profile Picture:

- Logo mark (A icon) on Deep Space background
- Or: Logo mark with cosmic glow effect

Cover/Banner:

- Cosmic background with brand tagline
- Dimensions vary by platform

Post Templates:

- Dark cosmic background
- Brand colors for highlights
- Consistent typography
- Minimalist design

✅ Do's and Don'ts

Do's

- ✅ Use cosmic metaphors naturally
- ✅ Maintain high contrast for readability
- ✅ Keep backgrounds dark for brand consistency
- ✅ Use gradients sparingly and purposefully
- ✅ Ensure all text is readable on backgrounds
- ✅ Use whitespace generously

Don'ts

- ❌ Don't use bright backgrounds (breaks brand identity)
 - ❌ Don't overuse animations (distracting)
 - ❌ Don't mix too many gradient directions
 - ❌ Don't use low-quality space imagery
 - ❌ Don't compromise on accessibility
 - ❌ Don't use comic sans (ever)
